

## INSTRUCTION FOR AUTHORS

Hungarian Studies appears twice a year. It publishes original essays – written in English, French and German – dealing with aspects of the Hungarian past and present. Multidisciplinary in its approach, it is an international forum of literary, philological, historical, and related studies. Each issue contains about 160 pages and will occasionally include illustrations. All manuscripts, books and other publications for review should be sent to the editorial address. Only original papers will be accepted for publication.
