

INSTRUCTIONS FOR AUTHORS

General. Only original papers will be published and a Copyright Transfer Statement/Open Access License Agreement must be submitted by authors of papers accepted for publication. Manuscripts will be processed only after receiving the signed copy of the agreement. All submissions must be submitted in electronic format (Word) at <https://submit.akademiai.com/progress> and should not exceed 25 pages.

Layout. Manuscripts should be written in clear, concise, and grammatically correct English. The printout should be typed double-spaced on one side of the paper. The order should be as follows: title page, abstract, keywords, text, references, figures and tables.

Title page. The title should be concise and informative. A short running title of no more than 40 characters should also be given. This is followed by the name(s) of the author(s). The name(s) of the institution(s) where the work was carried out and the e-mail address of the corresponding author must be given in a footnote.

Abstract. The article should be preceded by a summary (not exceeding 150 words) giving a self-explanatory compendium of the essence of the paper.

Keywords. 3 to 5 keywords should be given.

Text. The article should be divided into the following parts: *Introduction*, beginning on a new page containing a survey of related literature and the objectives of the work, followed by *Materials and Methods*, *Results*, *Discussion*, *Conclusions*.

References. References must be given in alphabetical order as follows:

Lawless, H. T. and Heymann, H. (2010). *Sensory evaluation of food: principles and practices*. Springer-Verlag, New York, pp. 13–15.

Asha, M. A., Pandiarajan, T., Ganapathy, S., Indu Rani, C., and Sathy, R. (2017). Characterisation of attributes in dehusked coconut. *Journal of Agricultural Engineering*, 54(4): 36–42.

Figures and Tables. Illustrations must be cited and numbered in the order they appear in the text. All line drawings and photographs should be clear and of good quality. Figures and tables, each bearing a title, should be self-explanatory and numbered consecutively. Figures should also be saved as separate files for easier processing. Colour figures can be reproduced for an extra fee. To prove the objectivity of conclusions mathematical statistical methods must be used. Quantitative evaluation of data is indispensable.

Symbols. Units, symbols and abbreviations should be used according to SI (System International) rules. Unusual abbreviations must be explained in the text or in an appendix.

Detailed instructions for publishing in *Progress in Agricultural Engineering Sciences* are available from the Editorial Office.
